BECOMING MORE

The 2018 edition of the *Wo-He-Lo* Yearbook encompasses words that describe what we believe the students, faculty, and staff of the college could gain during their time at East Central Community College. Over the course of two years, we have had multiple opportunities to grow as people; therefore, we chose the phrase "Becoming More" as our theme. We feel this theme allowed us to showcase how we are becoming who we are. As you view our yearbook, keep in mind the words we have chosen and see that although our time here is short, we have become more known, distinct, involved, committed, qualified, original, and athletic. And always strive to become more.

OFFICE OF THE PRESIDENT

#Be More Awesome

When the 2017-2018 academic year opened in August, I challenged myself + our employees To #Be More Awesome by striving to make a positive difference in the lives of as many students as they could this year. So, how fitting it is as our year comes to a close that the theme of the Wa He-Lo yearbook is "Becoming More." Throughout the pages that follow you will learn how East Central Community College Students "Became More" this past year — More Known, More Distinct, More Involved, More Dedicated, More Qualified, More Original, + More Athletic.

Students also became More Awesome! I am continually amazed at the accomplishments of our students, and am humbled as I witness young lives eternally changed by this college and its people. My sincere hope is that this edition of the Wa He-Lo will be a constant reminder of your time at East Central and the effect it had on helping you Become More!!

My life is blessed, way more than I deserve, by the opportunities God affords me to be a part of the East Central family!!

#BeMoreBlessed

INSTRUCTOR OF THE YEAR

Sharon LeJeune Fisher of Meridian, biological sciences instructor, was selected East Central Community College's "Instructor of the Year" for 2018 and will be recognized during the college's Administration, Faculty and Staff Association (AFSA) end-of-the-year luncheon in May.

Fisher began her tenure at East Central in 2002, having previously served as a science instructor at Meridian High School from 1990-2002. She also taught as an adjunct instructor for ECCC from 1996 to 2002, and taught four years at Kate Griffin Junior High School in Meridian. She was a developmental chemist for Vanity Fair in Monroeville, Ala., for five years prior to her teaching career.

When students describe Fisher's classes and her teaching style, they use words like energy and excitement. They say she always keeps class interesting. So how does one keep that level of high energy and excitement after so many years in the classroom?

"The students are my major motivator," Fisher said. "It is so great to work with them each day and hopefully help them learn and prepare for their future careers. It is a joy to teach such wonderful students. They are my source of energy!"

In her 32 years as a classroom instructor, Fisher has received various awards included being named HEADWAE (Higher Education Appreciation Day: Working Toward Academic Excellence) Instructor of the Year, an honor presented by the Mississippi Legislature, in 2003 and 2017; selected a Lamplighter in 1999, which recognized outstanding community and junior college faculty across the state; and she was previously selected ECCC Instructor of the Year in 2004.

Although she has been recognized many times for outstanding teaching, she is quick to count among her greatest memories the time she has spent with students.

"After 32 years, there are so many! But they always involve working with students and colleagues. Whether it's an animal story memory, an Environmental Club memory, or one of the many memories our science faculty have, they always involve our students!"

When asked her best advice for students, Fisher said, "Study, study, study! Always read the chapters! Always go to class! You will set yourself up to succeed! Manage your time well and you will have time for the other activities that are such fun and together will make for such wonderful memories of EC!"

Fisher received her bachelor's and master's degrees in biology and her educational specialist degree from the University of West Alabama (previously Livingston University). She also holds an associate's degree from East Mississippi Community College.

She is a member of Kappa Kappa Iota, National Science Teachers Association, Association of Southeastern Biologists and Mississippi Science Teachers Association. She is a past president and vice president of AFSA and participates in Relay for Life.

Price presented a special program, held in conjunction with Arts and Humanities Month, Nov. 7. in the Vickers Fine Arts Center auditorium.

During his lecture presentation titled "President for the People: The Progressive Policies of Teddy Roosevelt," Price focused on Roosevelt's policies aimed to help protect and improve the lives of the American people through his Square Deal.

Price said, "Roosevelt's presidency helped the Progressive movement of the early 1900s flourish as he understood 'a great democracy has got to be progressive or it will soon cease to be great or a democracy.'"

Price is in his fourth year of teaching American history at the college. In addition, he has worked on projects with the Mississippi Department of Archives and History and the Legacy Foundation.

ECCC President Dr. Billy Stewart, left, and Vice President for Instruction Dr. Teresa Houston, right, present Madison Price with a certificate and check for his selection as Humanities Instructor of the Year.

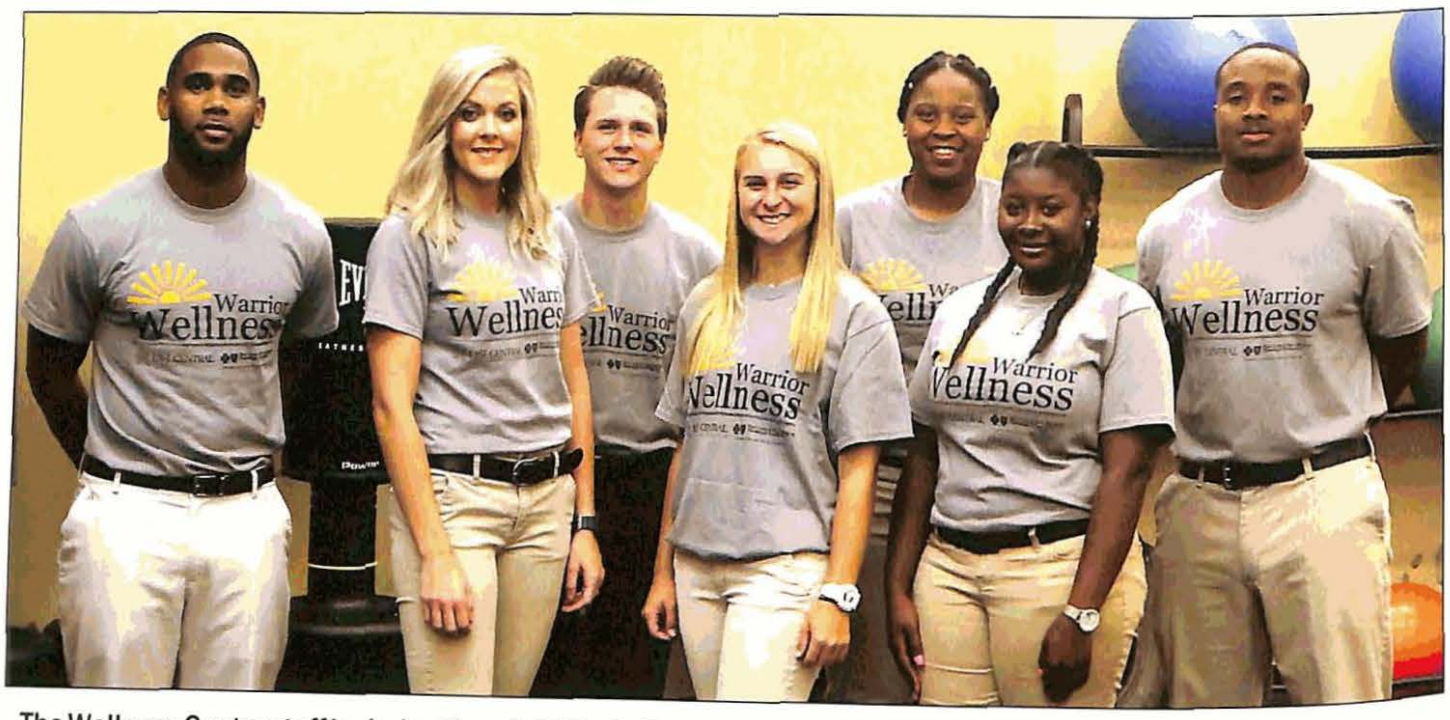
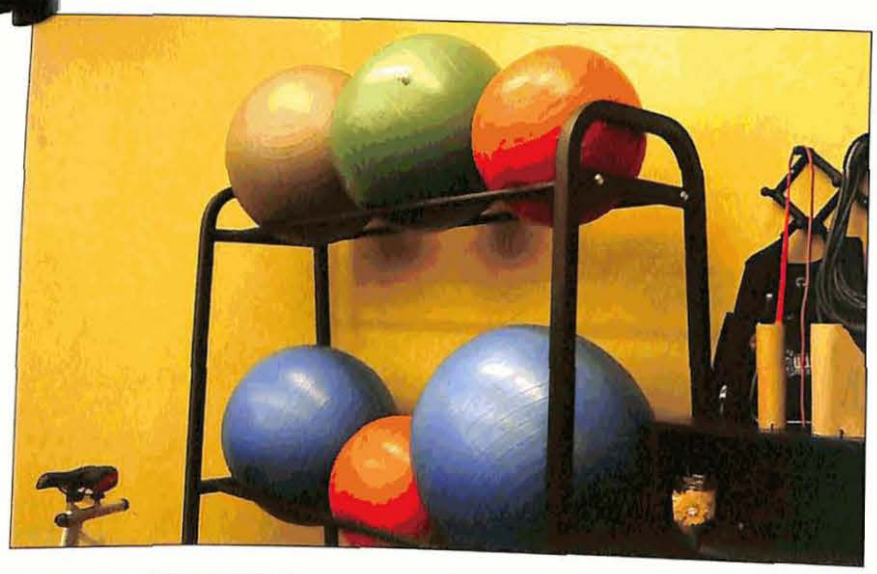
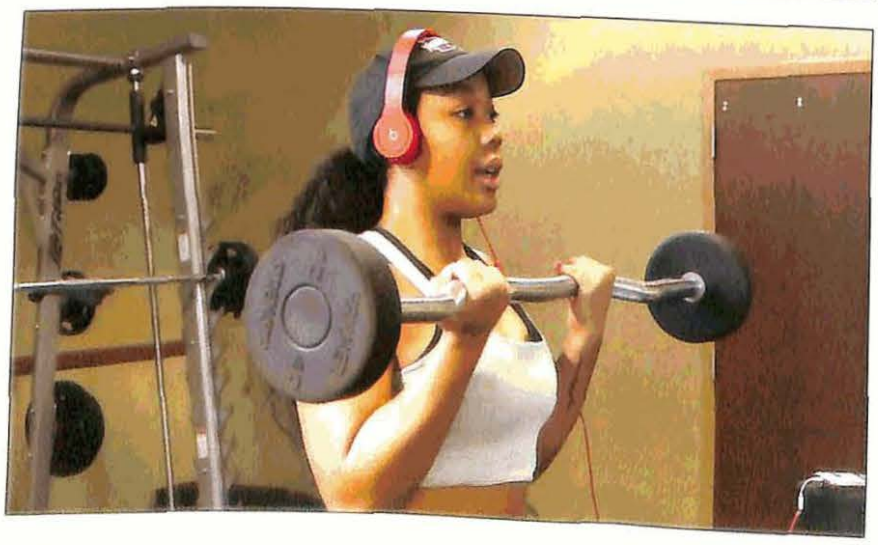
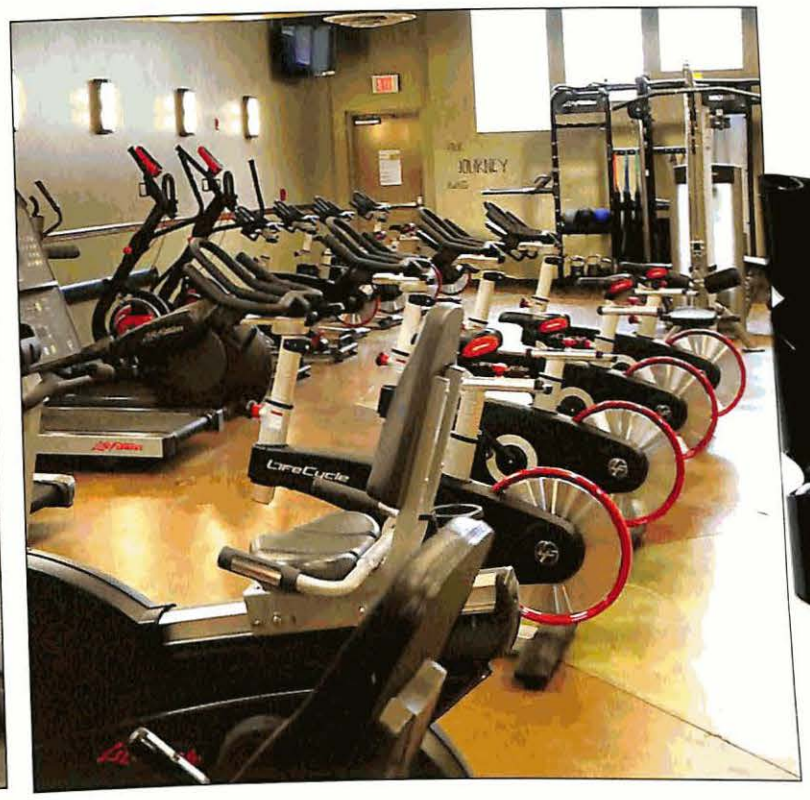
In its second year, Warrior Wellness has expanded fitness classes to include classes such as yoga, toning, kickboxing and circuit training. There is also increased supervised access to the Wellness Center, an annual Wellness Week held in September, and the grant has provided additional equipment for the Wellness Center including a commercial treadmill, curl and straight barbells, and five commercial spin cycles.

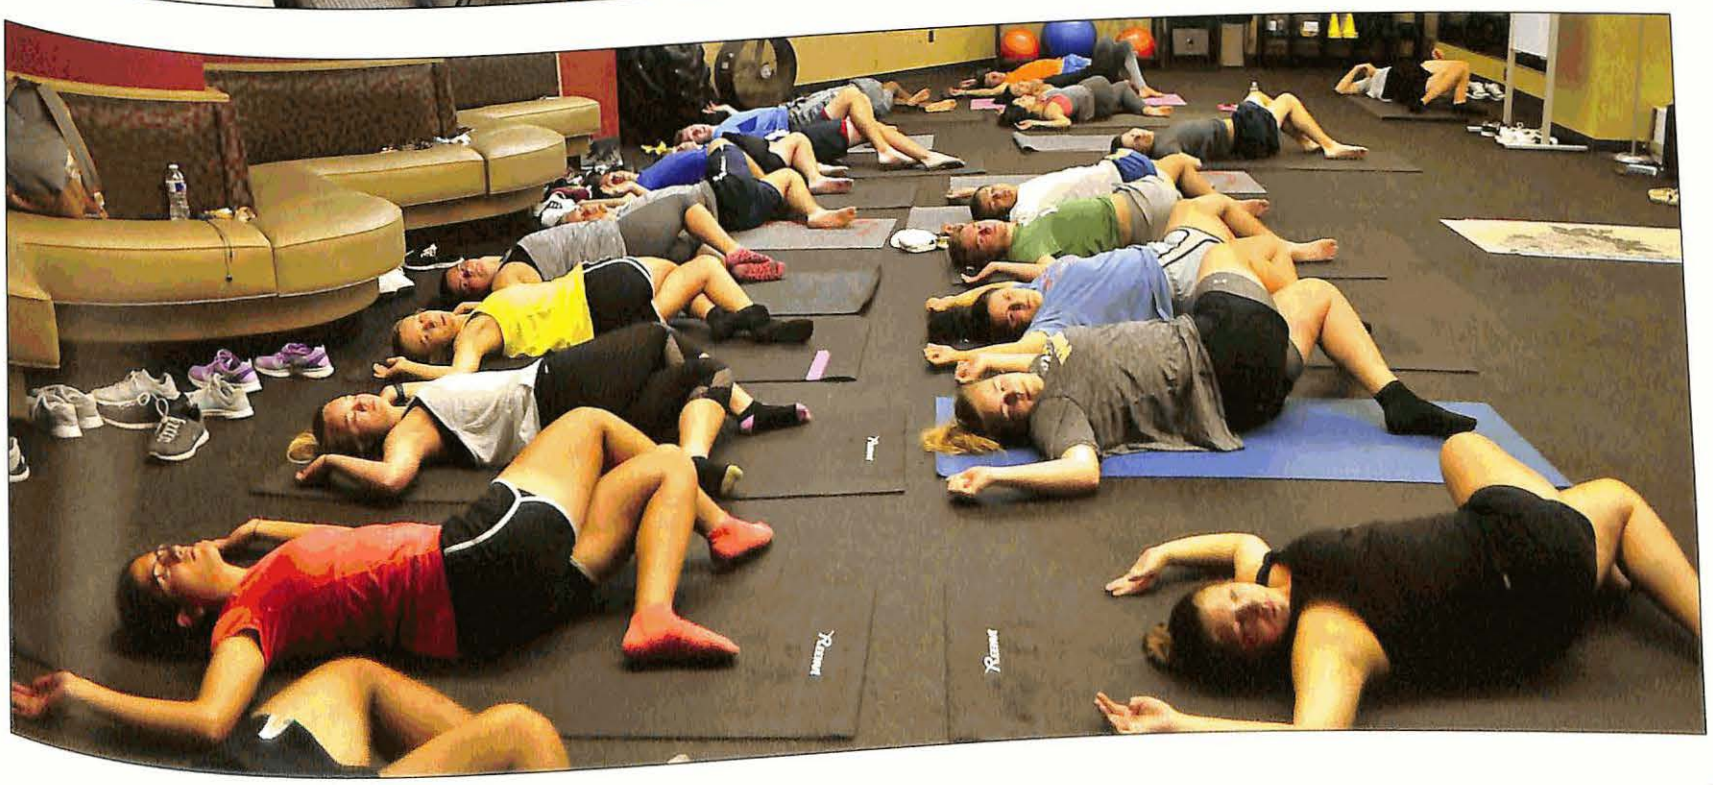


The Wellness Center staff includes (from left) Devin Fosselman, Crystal Fitzgerald (Wellness Coordinator), Clayton Karcher, Jessie Shuler, Ronneka Robertson, Quatavia Alexander, and Antonio Baker.









NEW WOMEN'S RESIDENCE HALL

The new Women's Residence Hall was opened for first use for the 2017-18 school year. The modern, three-story facility includes 56 rooms, a study area and a kitchen on each floor for student use, and a coin-operated laundry room. The residence hall also includes wireless internet and cable TV. The lobby area includes a television and social and study space for the residents. The exterior features a fountain and social space for students to enjoy.

MABRY MEMORIAL CAFETERIA

When ECCC students returned to classes for the 2017-18 school year, they were greeted by a major renovation to the Mabry Memorial Cafeteria. The college's food service provider, Valley Services, Inc., completed the renovations and enhancements project over the summer.

The many enhancements include more and healthier dining options for students in a true restaurant-style setting. Among the food options available to students include a comfort food zone featuring meat and vegetable selections, a salad and potato bar, a pizza and pasta station, a made-to-order zone featuring a different selection daily, a rotisserie chicken station, a deli sandwich station, and a waffle station available at breakfast, lunch, and dinner.

The Gold Room, formerly for faculty and staff dining and special functions, now includes food stations and expanded seating to accommodate more than 100 additional resident students. Double doors have been added between the Gordon and Magnolia rooms to provide one large serving/meeting room. These areas will be used for faculty and staff dining, Board of Trustees luncheons, and other special events. The Mabry Cafeteria can now serve about 700 students during a dining period, up from 600 students before the renovation.

SBA PRESIDENT

Coming in as a freshman, East Central was a little intimidating as a new school would be for anyone. New experiences are a lot less intimidating with good friendships. One of my goals coming to East Central was to connect with people I had never connected with before. The first week of school, I attended the Welcome Back Week activities planned by the Student Body Association. At those events, the conversations I held with different people were the start of great, new friendships. I realized then that I wanted to be a part of planning activities for students to connect with others on campus. The Student Body Association was a great way to get involved. It was a huge blessing to be elected as Freshman Class President my first year.

At the end of my freshman year, I was elected as Student Body Association President. Something I kept in mind while serving as President was the experience I had my freshman year. I became very involved on campus, and through that I gained many new friendships and connections with students. My sophomore year I wanted other students to have access to endless opportunities to connect with other students as well. We have had many fun activities including volleyball tournaments, movie nights, water slides, pancake parties and my personal favorite, a couple of SpoonFudge nights. My absolute favorite activity that we have had on campus was when we had the magician Bryan Drake come to East Central. The Student Body Association partnered with Clarke-Venable Baptist Church to bring him to campus. He performed a couple of tricks but the best thing he did was present the Gospel to over 250 students. Students raved over his performance and many sought more information on the Gospel they had heard.

I have been blessed to serve alongside some great students and advisors these past two years. East Central Community College has something very special about it. I believe it is the people who serve the college. The President, Dr. Billy Stewart, the teachers, the staff, and the sweet custodians all pour themselves into the students here on campus. The students at East Central all have not only a face but also a name with East Central employees. I could not have been more honored to serve as East Central's Student Body President.

Second year East Central Community College Tennis Coach Jay Pacelli said more talent and increased depth brought much optimism to the college's men's and women's tennis teams in 2017.

The ECCC tennis teams got a new home for the spring 2017 season. The new Tennis Complex includes eight lighted courts to serve the ECCC men's and women's varsity tennis teams, as well as the campus and local communities. The facility includes parking and spectator areas, which were not possible at the current four-court tennis complex on campus that was originally built in 1969. Because of the construction, the ECCC tennis teams played 11 of their first 12 matches on the road.

The ECCC No. 2 Men's Doubles team of Will Stewart of Decatur and John Jimenez of Oruro, Bolivia, reached the finals of the Mississippi Association of Community and Junior Colleges State/National Junior College Athletic Association Region 23 Tournament.

The facility includes parking and spectator areas, which were not possible at the current four-court tennis complex on campus that was originally built in 1969. The 2017 edition of the ECCC Warrior football team, the fifth under the direction of Karcher, opened the season with two straight road games, at Holmes Community College and then traveling north again to Booneville to face Northeast Mississippi Community College. Looking to make the state playoffs for the third straight year, something that's never been done on the Decatur campus, Coach Karcher's Warriors had several challenges to overcome on their way to compete in the postseason. Among them, were replacing nine starters on defense, adjusting to several newcomers on offense, and playing five of nine games on the road.

Also, there were three new faces on Karcher's coaching staff in 2017. Antonio Baker, a former two-time all-Western Athletic Conference linebacker at Louisiana Tech, took over coaching that position at ECCC. Devin Fosselman coached wide receivers this season. He played that position for Mississippi State and Jackson State. And Karcher's son, Clayton Karcher, took over coaching the running backs. The Newton County High School and University of Alabama graduate was a student coach for the Crimson Tide in 2016.

East Central finished its 2017 season with a 1-8 overall record and 0-6 in MACJC South Division play. Southwest ended its season 1-8 overall and 1-5 in the South Division.

East Central Community College freshman defensive back Keonte' Daniels was named to both the Mississippi Association of Community and Junior Colleges First Team All-State South Offense and the National Junior College Athletic Association Region 23 First Team Offense.

Sophomore wide receiver Antonio Gibson, was named to the MACJC First Team All-State South Offense, and sophomore offensive lineman Josh McMullen, was selected MACJC Second Team All-State South Offense.

The East Central Community College men's soccer team returned eight starters in 2017 as it seeked to qualify for the Mississippi Association of Community and Junior Colleges state playoffs for the third straight season. Kenneth Thompson, who entered his 19th season in Decatur as head coach of the Warriors, was hopeful that his sophomore-laden team would come together as a unit early in the season and lead East Central back into postseason play.

His team did not disappoint. The ECCC team won their last regular season match to secure an MACJC North Division Title. It was East Central's first division title since 2012.

The Warriors made it to the semifinals of the Mississippi Association of Community and Junior Colleges State/National Junior College Athletic Association Region 23 Tournament and finished the season 10-6-1 overall.

Four members of the team were chosen to compete in the 2017 MACJC All-Star Soccer match, including defender Andrew Bernard of Southeast Lauderdale, defender Hector Mendoza of Center Hill, midfielder Jacob Thomas of Northwest Rankin, and defender Tyler White of Madison-Ridgeland Academy.

In only his fifth season as head women's soccer coach at East Central Community College in Decatur, Gray Massey was looking for his fourth straight appearance in the Mississippi Association of Community and Junior Colleges playoffs in 2017. Massey had to replace five starters, but had four other starters returning.

It simply was not meant to be, and while it was the fourth straight winning season for the East Central women, it was the first time the Lady Warriors missed the playoffs since 2013.

Despite not making the playoffs, three members of the women's soccer team were chosen to compete in the 2017 MACJC All-Star Soccer matches and Coach Massey was selected to coach the MACJC North Division Women's All-Stars.

Players chosen were midfielder Ashley Langham of Florence, forward Cailee Helen McClain of Starkville, and midfielder Aubree Patterson of Richland.

EDITOR'S CLOSING

My time at East Central has been filled with incredible memories that have been a blessing to me and ones that I will not forget. Attending East Central Community College was by far one of the best choices that I have ever made. I have been given so many amazing opportunities and formed many new friendships the last two years. One of those honors was being selected as the Editor for the *Wo-He-Lo* yearbook. However, there are numerous people I would like to thank who have helped me along this journey.

First, I would like to thank the Lord because he has made all things possible. He guided my footsteps to East Central and allowed me to experience so many life changing opportunities which have shaped me into the person I am now. He has blessed me more than words can describe and ever be imagined. All glory given to him.

I cannot put into words how thankful I am for Ms. Amy Thompson and her dedication. She worked so hard and diligently to make this book a success. Without her guidance, none of this would have been possible. She has been such a blessing to me in my time at East Central. I have complete faith she will continue to excel as a valuable advisor in the years to come.

I would also like to give a special thank you to the entire Public Information staff. Thank you to Mr. Bill, Mrs. Maria, Ms. Karen, and Mr. David for your valued input and help in making this book. Also, I would like to thank my Co-editor, Reagan Gorgas. Thank you for pushing me to do my best, balancing my creative side, and sticking by me through this journey as Editor.

A special thank you to the East Central Community College staff for allowing me to live the EC Way, Excellence with Class.

Last, but most certainly not least, I would like to thank my family for encouraging, supporting, and pushing me to do my best. Without them, I would not be the person I am today.

To all the students and employees at East Central, take it all one day at a time and enjoy the journey.

BNicholson

Breann Nicholson, *Wo-He-Lo* Editor
